

Tree Of Life Tuition Scale

Renewing young minds. Transforming young lives.

A Christ centered education anyone can afford.

At Tree Of Life, we really mean that. Our goal is to have every family make a reasonable sacrifice. We believe that God will honor that and provide the rest through the Body of Christ.

- We ask every family to pay 5% of their annual income for one year of school.
- The yearly tuition amount includes ALL children in the family.
- The minimum tuition is \$250 for one year.
- Tuition can be paid monthly, quarterly, or all at once. Monthly tuition is paid over 10 months from September through June.
- A family's tuition will not exceed the cost of education per child times the number of children enrolled.
